Some planning exemptions have been granted to support the response to COVID-19.

The Government will be confirming that all granted planning permissions will automatically be extended for 1 year where their expiry date fell between March and December 2020. The Government will also be allowing permitted construction of up to two additional stories onto certain residential buildings from August 2020 with limitations applying.

Neighbourhood Plan referenda have been delayed until May 2021 at the earliest. Plans that have completed examination are now being considered as having significant weight.

006. Public participation

There were no requests for public participation. A submission from a residents group objecting to 20/00433/FUL Land north of The Hermitage Caravan Park.

007. Planning & tree applications (BFC lists 07/20, 08/20 and 09/20)

(For clarification: the application seeks to allow for the installation of a water mist system in lieu of the dry riser for the fire safety provisions).

Considered no objection

Cllr Ms Thorin returned to the meeting

20/00433/FUL Land north of The Hermitage Caravan Park, Herschel Grange, Warfield, Bracknell, Berkshire

Extension of existing caravan park to provide for the siting of 7x additional mobile homes with associated vehicular access and parking.

Recommended Refusal

The site is outside of the development area

The development would have considerable impact on the character of the area

The development will create additional traffic with cars coming out onto Warfield Street and the lack of visitors parking will cause additional on-street parking issues in the area.

A previous planning consent required the provision of two parking spaces per caravan to be implemented and retained thereafter a ratio of two car parking spaces per caravan (15/00554/FUL CONDITION 4)

The site plan differs from the actual situation on the ground.

There is no proposed treatment for the boundary to Gibbins Lane, which should as a minimum be a native species hedgerow.

008. Planning determinations of Bracknell Forest Council

It was reported to the meeting and noted by members that the following applications have been concluded by BFC since the last committee meeting:

19/00890/FUL Fairfield 21 Westwates Close, Bracknell, Berkshire RG12 2ED

Not Required

Members noted the report.

009. Planning appeals

No update to report.

010. Ongoing issues

a. CIL and S106 contributions

The Clerk provided an update on CIL receipts. For the collection period October 2019-March 2020 the parish council received £239,320.76 in contributions.

b. Current and potential enforcement cases

The Church Lane hedge appears to be extreme management rather than approval.

Members discussed the Osborne Lane stables site and concern regarding the entrance to the site. The Clerk would follow this up with enforcement and building control.

011. Representative reports

Cllr Mrs Wallen mentioned the additional traffic signage at Malt Hill/Maidenhead Road junction. A request for a TPO on the trees at the junction has been reported as unlikely to be successful by the borough, although the grounds for this were unclear. A discussion took place and agreed that trees needed to be protected, but there is no application to protect the trees at this stage, until this is made and a formal decision made there are no grounds to take this action further.

The Clerk was asked about the Oak tree at Cleopatra Way and this is under investigation by the borough.

Cllr Ms Dulieu looked at application 20/00144/TRTPO for land at the rear of 70 The Plateau. There were no concerns about this application.

012. Date of next meeting

The date for the next meeting is Monday 27 July via Zoom. Cllr Ms Thorin and Fitzwilliams tendered their apologies.

013. Closure of the meeting

There being no further business the meeting closed at 8.41pm.
